Welcome to Toblach / Dobbiaco, Italy

On behalf of the organising committee Sport OK Toblach/Dobbiaco I would like to welcome all athletes, coaches, support staff and fans to the FIS PARA Nordic World Cup! The organising committee and the numerous volunteers will do their best to ensure once again a cross-country festival from any point of view!

Hosting a PARA Nordic Worldcup will be a big challenge for us since it's our first time. But we are all very excited to support this beautiful project!

I wish all participants good luck and success in the competitions, as well as a pleasant stay in Toblach/Dobbiaco, the heart of the 3 Zinnen Dolomites cross-country skiing region!

Venue

The holiday region 3 Zinnen in the Dolomites is an excellent cross-country skiing destination with 200 km of groomed cross-country tracks at an altitude from 1,130 to 2,200 m; snow-safe and high service quality. This cross-country skiing paradise offers romantic ski hikes through picturesque Dolomite valleys and demanding World Cup tracks and legendary races. Tracks like in the romantic Fiscalina Valley near the renowned Three Peaks or the impressive high-alpine plateau Prato Piazza at 2,000 m of altitude, the Tour de Ski route in Val di Landro from Dobbiaco to Cortina and through the Dolomites UNESCO World Heritage, with spectacular Dolomite peaks provide an unforgettable experience.

The heart of the 3 Peaks Dolomites cross-country skiing region is without any doubt the Nordic Arena in Toblach/Dobbiaco. Every year international top stars are training and competing on the demanding FIS tracks- numerous World Cup races and Tour de Ski stages have already taken place here - most recently the COOP FIS Tour de Ski in December/January.

All competitions will take place at the Cross-Country World Cup stadium **Nordic Arena**.
