

## TEAM INFO – 03 SEPTEMBER 2026

Südtirol Skiroll Festival 2026

### Final programme

#### Friday, 4 September 2026 – TRAINING & RACE ROLLER-SKI TEST SLOTS

##### **ANTHOLZ (Südtirol Arena Alto Adige)**

The **course will be open from 09:00 to 17:00** for course inspection and training. Other athletes who are not racing may also be on the course during the day, so please stay alert—especially at crossings and on narrow sections.

The following time slots are available to test the race roller skis:

- **09:00 – 10:00 → U18 Men and Women**
- **10:00 – 11:00 → U20 Men and Women**
- **11:00 – 12:00 → SENIOR Men and Women**

Teams that requested an alternative slot and cannot make the morning session for logistical reasons may test the race roller skis from **14:00 to 16:00**.

The race roller skis will be provided by the Organising Committee and must be returned after **20 minutes**.

You can also check out the course on your own roller skis, as long as they are slow enough to ski the course safely.

The **Team Captains' Meeting**, covering both race days, will take place on **Friday at 17:00** in the **conference room at the Südtirol Arena in Antholz**.

**The meeting will be held in Italian. If anything is unclear, just come and find me afterwards 😊**

##### **TOBLACH (Nordic Arena)**

The Toblach course will be open from 15:00 to 18:00 for course inspection on both Friday and Saturday. There will be no course marshals on either day, so please watch out for cyclists and pedestrians—especially on the lower section of the course.

The race roller skis cannot be tested in Toblach.

## Parking

Parking at the Südtirol Arena in Antholz is limited. We therefore ask teams and regional committees to arrive with **as few vehicles as possible**.

One representative from each team/committee must collect the numbered **parking passes** from the **Organising Committee office** near the bar/restaurant on the first floor. The pass is required to access the **official parking area (see map)**.

Vehicles must not be left in this area under any circumstances.

Anyone without a pass (families, spectators, etc.) must pay the daily parking fee of €10, or €5 from 14:00 onwards.

In Toblach, the usual parking area next to the Nordic Arena will be available. There is plenty of space, and parking is free on all three days.
